The year 1986-87 saw substantial growth and change in the operations of the Ontario Arts Council.

The Ontario Arts Council received from the Government of Ontario, through the Ministry of Citizenship and Culture, an operating allocation of $25,809,700, a 4% increase over its 1985/86 appropriation.

This increase, covering the cost of inflation, allowed the Council to maintain in "real dollars" its grant support to Ontario artists and arts organizations at the previous year's level.

Between 1983 and 1985, the Ontario Arts Council enjoyed its first real growth in nearly a decade, thanks to major increases in its government allocations. These increments to our base funding allowed us to introduce in 1986/87 twenty new programs of support for individual artists and special initiatives. The total number of granting programs was thus increased to more than 90.

Of special note is a new program of major assistance to established filmmakers. This contributed to the creation of such highly-regarded films as Patricia Rozema's *I've Heard the Mermaids Singing*, subsequently a winner at the Cannes Film Festival, and the Oscar award-winning documentary, *Artie Shaw: Time is All You've Got*, by Brigitte Berman.

In addition, in 1986/87, the Ontario Arts Council initiated the complete automation of its operations, a move which had been more than two years in the planning.

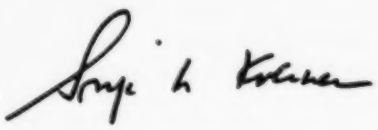
Members of the Ontario Arts Council are appointed by the Lieutenant-Governor-In-Council for three-year terms, on a revolving basis. This year, three new Members were appointed to the Board: publisher John Macfarlane from Toronto, artist Sasha McInnes of Thunder Bay, and lawyer Antoine de Lotbinière Panet of Ottawa.

The year 1986 also marked the end of Walter Pitman's six-year tenure as the third Executive Director of the Council, a period of leadership distinguished by his commitment to and global vision of the arts.

In December 1986 the Board appointed Mr. Christopher Wootten from Vancouver, B.C. to this position for a five-year term beginning February 1987. Mr. Wootten brings with him strong, hands-on arts experience as well as entrepreneurial and management skills in the field, both in Canada and abroad.

The Council's massive evaluation of all its granting programs continued throughout the year. In addition, research began on the preparation of a Five-Year Strategic Plan for the development of the arts in Ontario. This will be submitted to the Government in the fall of 1987.

In 1988, the Ontario Arts Council will be celebrating its 25th Anniversary. This will be an occasion to look back with pride on the accomplishments of the arts in Ontario, and to look forward with confidence to the exciting new possibilities ahead.



Sonja N. Koerner
Chair

L'exercice 1986-1987, visé par le présent rapport, a constitué un autre événement marquant et une étape importante dans l'histoire du Conseil des Arts de l'Ontario.

Dans un premier temps, le gouvernement ontarien, par l'entremise du ministère des Affaires civiques et culturelles, nous a alloué des crédits de 25 809 700 $, ce qui représente une augmentation de 4 % par rapport à l'exercice 1985-1986. Cette augmentation, qui représente le coût de l'inflation, a permis au Conseil de maintenir, en dollars constants, son aide financière aux artistes et organismes artistiques de la province, au même niveau que l'an dernier.

L'augmentation considerable de credits gouvernementaux a permis au Conseil de connaître entre 1983 et 1985, son premier accroissement marquant depuis près d'une décennie. Cette majoration à notre base de financement a permis au Conseil de lancer 20 nouveaux programmes dans l'exercice 1986-1987, avec pour mission, d'aider les artistes et d'appuyer des initiatives spéciales. Grâce à cette nouvelle affectation, le Conseil a vu son champ d'action s'accroître pour atteindre plus de 90 programmes de financement.

L'un de ces nouveaux programmes nous donna l'occasion de subventionner des cinéastes d'envergure, parmi lesquels se trouvent Patricia Rozema et son film *I've Heard the Mermaids Singing*, qui allait être primé au Festival de Cannes, et Brigitte Berman, dont le film *Artie Shaw : Time is All You've Got* remportait l'Oscar du meilleur documentaire.

L'année 1986-1987 nous permit aussi de commencer à informatiser le fonctionnement complet de nos opérations administratives, initiative qui avait été planifiée depuis deux années.

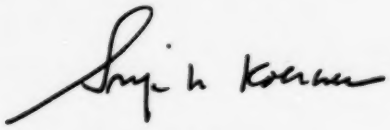
Les membres du Conseil des Arts de l'Ontario sont nommés par le lieutenant-gouverneur en conseil, pour un mandat de trois ans, établi sur une base rotative. Cette année, trois nouveaux membres furent nommés au Conseil : l'éditeur John Macfarlane de Toronto, l'avocat Antoine de Lotbinière Panet d'Ottawa, et l'artiste Sasha McInnes de Thunder Bay.

L'année 1986 marque aussi le départ de Walter Pitman qui, durant ses six années au Conseil à titre de directeur général, témoigna d'un engagement, d'un sens du leadership et d'une vision des arts.

En quête d'un successeur, le Conseil nomma en décembre 1986, pour la première fois de son histoire, un candidat qui n'était pas ontarien : Christopher Wootten, qui est originaire de la Colombie-Britannique et qui détient une solide expérience nationale et internationale en gestion des arts, alliée à un sens de l'entreprise. M. Wootten fut nommé pour un mandat de cinq ans; il est entré en fonction en février 1987.

L'évaluation complète et approfondie de nos programmes de financement s'est poursuivie cette année avec la même ardeur. Le Conseil va préparer et soumettre, dès l'automne 1987, un plan quinquennal stratégique pour le développement des arts en Ontario.

Cette initiative vient à propos; en 1988, le Conseil des Arts de l'Ontario célèbre son 25e anniversaire. À cette occasion, nous serons en droit de considérer avec satisfaction le chemin parcouru dans le domaine des arts en Ontario et d'envisager l'avenir en confiance.



Sonja N. Koerner,
Présidente

The Arts/Education Office of the Ontario Arts Council provides grants to encourage and support Ontario professional performing arts organizations to tour schools throughout the province; to encourage and support Ontario-based professional performing arts organizations and individual professional artists to develop artistic programs which enrich the school curriculum; to individual creative artists to undertake projects with students; and to playwrights to write and develop material for young audiences.

The Creative Artists in Schools program provides assistance for professional creative artists of all disciplines to work directly with students in the school setting; and the Artist in School and Community program extends this experience into the local community.

Le Bureau Arts/Éducation du Conseil des Arts de l'Ontario accorde des subventions aux fins suivantes : appuyer les organismes regroupant les professionnels des arts d'interprétation et les encourager à faire des tournées dans les écoles de la province; appuyer les organismes regroupant des professionnels des arts d'interprétation et les artistes professionnels installés en Ontario et les encourager à créer des programmes artistiques qui enrichissent les programmes d'études des écoles; permettre aux artistes créateurs d'entreprendre des projets avec des élèves; permettre aux auteurs dramatiques de créer et d'écrire pour de jeunes auditoires.

Le programme des Artistes créateurs dans les écoles fournit une aide aux artistes créateurs professionnels de toute discipline artistique pour qu'ils travaillent directement avec des élèves dans le milieu scolaire. Le programme de l'Artiste dans l'école et la communauté étend ce genre d'expériences à l'ensemble de la communauté locale.

The Dance Office of the Ontario Arts Council provides financial assistance and consultation to encourage the development of Canadian dance and dancers through support of Ontario-based professional, non-profit dance companies and service organizations, new dance works series, and mime and puppetry companies. Both classical and contemporary styles are reflected among the creative individuals and organizations within Ontario's dance community.

As the demand for dance continues to grow, Ontario citizens will also benefit from performance opportunities which the OAC helps to support.

Le Bureau de la danse du Conseil des Arts de l'Ontario accorde une aide financière et donne des conseils afin d'encourager le développement de la danse et des danseurs au Canada grâce à l'appui qu'il donne aux compagnies de danse et aux organismes de soutien, aux chorégraphes, aux organismes d'enseignement de la danse, aux programmes d'oeuvres chorégraphiques nouvelles et aux compagnies de mime et de marionnettes, qui sont professionnels et qui sont installés en Ontario. Les styles classiques et contemporains sont représentés chez les créateurs et les organismes qui composent le milieu de la danse en Ontario.

Comme la danse continue de connaître une faveur croissante, les citoyens de l'Ontario pourront assister aux spectacles de plus en plus nombreux que le CAO subventionne.

The Film, Photography and Video Office of the Ontario Arts Council provides grants to encourage the development of talented filmmakers, photographers, screenwriters, and video and electronic media artists. Non-profit organizations, festivals, seminars or professional development programs serving the needs of artists working in these disciplines also receive assistance.

Artists who use contemporary technologies as their media contribute greatly to our understanding and appreciation of a rapidly changing world. Public support of artistic explorations of these media has been growing, enabling Ontario artists to make substantial contributions to the international development of these forms, and providing Ontario citizens with expressions of their own contemporary cultural realities.

Le Bureau Film, photographie et vidéo du Conseil des Arts de l'Ontario accorde des subventions afin d'encourager les artistes talentueux dans les disciplines suivantes : cinéma, photographie, scénario, vidéo et médias électroniques. Les organismes sans but lucratif, les festivals, les séminaires et les programmes de perfectionnement professionnel qui répondent aux besoins des artistes travaillant dans ces disciplines bénéficient également d'une aide financière.

Les artistes qui utilisent des technologies contemporaines comme mode d'expression nous aident grandement à mieux comprendre les mutations rapides de notre monde. L'aide accordée au titre des explorations artistiques dans ces médias ne cesse d'augmenter; elle permet ainsi aux artistes de l'Ontario de contribuer de façon importante au développement de ces formes artistiques sur le plan international. Les citoyens de l'Ontario disposent de cette façon d'oeuvres exprimant les faits de la culture contemporaine.

Le Bureau franco-ontarien du Conseil des Arts de l'Ontario accorde des subventions afin d'encourager et d'appuyer des programmes visant à faire progresser les arts et les artistes en Ontario, à l'exemple des autres bureaux du CAO, mais en s'intéressant plus particulièrement aux besoins et aux possibilités de la communauté artistique franco-ontarienne. Il accorde par exemple une aide à certains organismes, notamment les théâtres, les centres culturels, les galeries d'art et les maisons d'édition, de même qu'aux artistes en arts plastiques, aux chansonniers, aux auteurs dramatiques et aux écrivains.

La culture franco-ontarienne est présente partout dans la communauté artistique ontarienne. Les programmes du Bureau franco-ontarien favorisent l'accès à ce patrimoine culturel authentique.

The Franco-Ontarian Office of the Ontario Arts Council provides grants to encourage and support programs for the development of artists and the arts in Ontario paralleling those offered by the other offices of the OAC, but with particular emphasis on the needs and opportunities of the Franco-Ontarian artistic community. These include assistance to organizations such as theatres, cultural centres, art galleries, and publishing houses; and to visual artists, chansonniers, playwrights and writers.

Across the province, Franco-Ontarian culture is reflected throughout Ontario's artistic community; and these programs help to provide access to this authentic cultural heritage.

The Literature Office of the Ontario Arts Council provides grants to encourage and support Ontario writers, poets, publishers, periodicals and literary organizations in the creation, publication, promotion and distribution of literature in Ontario. These grants contribute to our understanding of how we live, as well as to the literary arts themselves.

During the past twenty years, Canadian writing and publishing have grown dramatically, so that today we have a literary heritage that corresponds to the complexity of our national life.

Le Bureau de la littérature du Conseil des Arts de l'Ontario accorde des subventions afin d'encourager et d'appuyer les écrivains, les poètes, les éditeurs, les sociétés littéraires et les périodiques dans leurs activités de création, d'édition, de promotion et de distribution d'oeuvres littéraires en Ontario. Grâce à ces subventions, nous pouvons mieux comprendre comment nous vivons et mieux comprendre l'art littéraire en soi.

Ces vingt dernières années, le monde de l'écriture et de l'édition au Canada a connu une croissance phénoménale, si bien que nous possédons maintenant un patrimoine littéraire qui témoigne de la complexité de notre vie nationale.

The Music Office of the Ontario Arts Council provides grants to encourage the development of Canadian musicians and Canadian musical expression, with particular concern for Ontario artists and audiences; grants for the purpose of commissioning new music; and special awards for the performance of contemporary music.

Music is enjoyed in live performance in Ontario's concert halls, theatres, libraries, school gymnasiums, churches, shopping malls, museums and galleries. Increasingly, these performances are given by soloists, small ensembles, choirs and orchestras resident in Ontario. The Music Office encourages the development of excellence at all levels, and helps to ensure that our Canadian creative talent will have a voice in our rich musical environment.

Le Bureau de la musique du Conseil des Arts de l'Ontario accorde des subventions aux fins suivantes : encourager le perfectionnement des musiciens canadiens et favoriser le développement de l'expression musicale au Canada, en s'attachant surtout aux artistes et au public de l'Ontario; commander de nouvelles oeuvres musicales; accorder des bourses spéciales en vue de l'exécution d'oeuvres musicales contemporaines.

Le public peut entendre des musiciens dans des salles de concert, des théâtres, des bibliothèques, des gymnases d'écoles, des églises, des centres commerciaux, des musées et des galeries d'art. Ces concerts sont de plus en plus donnés par des solistes, de petits ensembles, des choeurs et des orchestres installés en Ontario. Le Bureau de la musique encourage la poursuite de l'excellence à tous les niveaux et veille à ce que le talent créateur des Canadiens se fasse entendre dans notre milieu musical.

The Theatre Office of the Ontario Arts Council provides financial assistance and consultation to encourage and support the work of Ontario-based non-profit professional theatre companies.

The continuing development of regional theatre, and Toronto's recognized position as one of Canada's major entertainment centres, maintains theatre in a leadership position in the cultural life of Ontario. This growth provides Ontario citizens the rich opportunity to experience the work of Ontario theatre companies and playwrights.

Le Bureau du théâtre du Conseil des Arts de l'Ontario offre une aide financière et des conseils afin d'encourager et d'appuyer le travail des troupes de théâtre professionnelles sans but lucratif installées en Ontario.

Grâce aux progrès constants du théâtre régional et à la situation incontestée de Toronto en tant que grand centre du spectacle au Canada, le théâtre occupe une place importante dans la vie culturelle de l'Ontario. Cet essor procure aux habitants de l'Ontario une infinité d'occasions de découvrir les réalisations des troupes de théâtre et des auteurs dramatiques de l'Ontario.

PLUS ONE PROGRAM/ PROGRAMME "PLUS ONE" (13)

The Ontario Arts Council initiated the Plus One Program in order to provide assistance with increased costs associated with first-time productions of new Canadian plays by Ontario-based, non-profit theatre companies which receive operating grants from the Theatre Office of the Council. The aim of the program is to allow an increased rehearsal period that will benefit new plays beyond a "traditional" three-week period.

Ce programme sert à couvrir les frais croissants de production d'oeuvres canadiennes présentées pour la première fois par des compagnies de théâtre ontariennes sans but lucratif qui reçoivent des subventions de fonctionnement du Bureau du théâtre du Conseil des Arts de l'Ontario. Le programme vise à augmenter le nombre de semaines de répétitions au-delà des trois semaines "traditionnelles" ce qui serait fort bénéfique aux productions de nouvelles oeuvres.

The Touring Office of the Ontario Arts Council helps bring together Ontario community sponsors and touring performers, to develop new touring opportunities for the performing arts throughout Ontario, and to provide Ontario citizens with opportunities to enjoy quality professional concerts in their own communities. The Office's touring consultants also provide Ontario communities with bilingual advice, guidance, professional counsel and on-the-spot help in all areas related to touring.

Community volunteer touring sponsors are the backbone of tour development in the province and together with the OAC have assisted in presenting performances featuring more than 3,000 performers in close to 200 Ontario communities.

Le Bureau des Tournées du Conseil des Arts de l'Ontario aide à mettre en rapport les parrains locaux et les artistes qui font des tournées afin d'accroître le nombre de tournées partout en Ontario et d'offrir à la population de l'Ontario l'occasion d'assister à des concerts professionnels de qualité dans leur propre localité. Les conseillers en tournée bilingues du Bureau des Tournées conseillent les collectivités et leur rendent visite afin de répondre à leurs besoins en matière de tournées.

Les parrains bénévoles locaux forment le pivot du monde des tournées dans la province. Grâce à la collaboration du CAO, ils ont permis à plus de 3 000 artistes de se produire dans près de 200 collectivités de la province.

Officer / Responsable : **Nan Whitlaw**

The Visual Arts Office of the Ontario Arts Council provides grants towards primary creation, exhibition and documentation services for artists and organizations, scholarship, training and criticism in the visual arts.

The individual professional artist is central to all that the Visual Arts Office does. The office's priority is to support those artists, and the organizations which are most involved in supporting them. Such assistance benefits not only the artists, but contributes to the cultural enrichment of Ontario and its citizens.

Le Bureau des arts plastiques du Conseil des Arts de l'Ontario accorde des subventions au titre de la création originale, des expositions, des services de documentation offerts aux artistes et aux organismes, ainsi que pour l'analyse, la formation et la critique dans le domaine des arts plastiques.

L'artiste professionnel est au centre de tout ce que fait le Bureau des arts plastiques. La principale mission du Bureau est d'appuyer ces artistes et les organismes qui les aident le plus. L'aide du Bureau profite aux artistes et favorise également l'enrichissement culturel de l'Ontario et de sa population.

The Ontario Arts Council is involved with a variety of programs in addition to the awarding of grants. Some of these projects are administered through the appropriate discipline office, others are undertaken by general administration or information services. The Council also administers endowment funds. It consults regularly with advisors throughout the province in evaluating arts achievement.

Outre l'octroi de subventions, le Conseil des Arts de l'Ontario est également chargé de la mise en oeuvre de toute une gamme de programmes. Certains projets sont administrés par le bureau pertinent, d'autres le sont par les services administratifs ou d'information. Le Conseil administre également des fondations. Aux fins d'évaluer les réalisations artistiques, il consulte régulièrement des conseillers à travers la province.

To the Province of Ontario Council for the Arts and to the Minister of Citizenship and Culture

I have examined the balance sheet of the Province of Ontario Council for the Arts as at March 31, 1987 and the statement of income, expenditure and retained income for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Council as at March 31, 1987 and the results of its operations for the year then ended in accordance with the accounting policy described in note 1 to the financial statements applied on a basis consistent with that of the preceding year.

Au Conseil des Arts de la Province de l'Ontario
et au ministre des affaires civiques et culturelles

J'ai vérifié le bilan au 31 mars 1987 du Conseil des Arts de la Province de l'Ontario de même que l'état des résultats et des bénéfices non répartis pour la fin de l'exercice à cette même date. Ma vérification a été effectuée selon les normes de vérification généralement reconnues et comprenant les tests et les autres procédures que j'ai jugé nécessaires dans les circonstances.

À mon avis, ces états financiers présentent fidèlement la situation financière du Conseil au 31 mars 1987 et les résultats de ses activités pour la fin de l'exercice à cette date-là, conformément aux principes comptables décrits à la note 1 aux états financiers et appliqués d'une manière compatible avec celle de l'exercice précédent.
